Respect Life

“The Church affirms the inviolable dignity of every person, regardless of the duration or extent of the person’s incapacity or dependency.”

Through the Office of Pro-Life & Family Life, **Birth line** is a program that promotes material support for pregnant women and mothers of infants in need. We plant the seed of God’s love within the hearts of women and men who may feel overwhelmed, lost, alone and afraid. We serve nearly 1,100 clients each year.

Natural Family Planning Class: Sunday, Nov. 5th. 9-12:15. St. Louis, Batesville in the Deanery Resource Center across from Church. The Sympto-Thermal method is 98% effective, natural and safe. There is a \$40.00 fee for materials. For reservations, call (812) 934-4054.

Love. Grow. Serve.

There is one word or command that summarizes today's Gospel: Love. For Jesus there is no distinction between these two commands of loving God and neighbor. One naturally flows from the other. In fact, for Jesus, these commands constitute a way of life for Christian's; a unique approach to life and to their relationship with others. Our neighbors include everyone with whom we come into contact: family members, friends, people we don't like, strangers and particularly those most in need of our love and compassion. Love is always for doing well and helping others grow closer to the Lord. *What are ways in which we might do better at following Christ's love command?*
