Respect Life

"If someone we know has received a prenatal diagnosis, let us ask the Holy Spirit to work through us. May the families of these little children be strengthened and comforted by our affirmation of the truth that their child's life – however long or short – is worth living."

Supporting Families Who Receive a Prenatal Diagnosis - "U.S.C.C.B."

Fathers in Our Lives

We give our thanks, Creator God, for the father in our lives. Fatherhood does not come with a manual, and reality teaches us that some fathers excel while others fail. We ask for Your blessings for them all and forgiveness where it is needed.

This Father's Day we remember the many sacrifices fathers make for their children and families, and the ways—both big and small—they encourage children to achieve dreams thought beyond reach.

So too, we remember all those who have helped fill the void when fathers pass early or are absent; grandfathers and uncles, brothers and cousins, teachers, pastors and coaches and the women of our families.

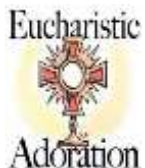

For those who are fathers, we ask for wisdom and humility in the face of the task of parenting. Give them the strength to do well by their spouses, their children and by You.

In Your Holy name, O God, We pray. --Amen.

The Solemnity of the Most Holy Body and Blood of Christ

Among the compelling Eucharistic themes proclaimed in today's readings is the notion of "**participation**" as found in Saint Paul's letter to the Corinthians. Good steward is part of a Eucharistic family: loving, welcoming, serving. An important part of living as a steward comes about in the many ways we can participate in the life of the Church. No matter how much time we have to give, no matter what our skills or interests, no matter what our level of commitment, there is a way to participate as a good steward to enrich our lives and the lives of others to build up the Body of Christ. **How do you participate in the life of your parish?**

St. Mary School Commission Update

After many valuable years of service, Steve Hollingsworth and Jon Wismann have resigned from the commission due to time constraints and other responsibilities. Again, after many years, Bill Rector has decided to serve in an advisory capacity without voting member status.

The new St. Mary School Commission members are:

Beth Legge	President
Randy Dennis	Vice-President
Joe Cigolotti	New Member

Bill Rector	Advisory

The commission is of extreme value to our parish and school. **We need at least two more volunteers to serve as members.** You do not need to have children in school to serve on this committee. Any parishioner may be on this committee (18 years or older). Please contact the parish office for more information.
