Houston Hurricane (CRS)			

September 9/10, 2017

In today's second reading Saint Paul enjoins us to be indebted to no one. Debt creates the kind of pressure that impedes our relationship with Jesus Christ. But there is one debt we will always owe and never be able to pay off fully: The debt of showing love to others. We will never reach the place where we can say, "Now I love others as much as I ought, and that's enough." No matter how much we've grown in faith we will always be required to grow in love. Good stewards realize that God does not call them just to love those who are easy to love, but to love the unloved and the hard-to-love people in this world as well. ***This week, remind yourself: "I am put here as an ambassador of God's love."***
