March 17/18, 2018

Today we hear the Gospel story of Jesus inviting his disciples into a great mystery with curious pronouncements: Those who love their lives just as they are will lose them. If a grain of wheat dies, it will bear much fruit... What does Jesus mean? The climatic event of Jesus' passion and death is drawing closer; a time when the great confrontation between Jesus and the powers of darkness take place. When Jesus is lifted up, he will draw all to himself. The Christian steward knows life can't be lived in complacency. We are called to die to self, bear more fruit, be raised up with Jesus. Jesus brings discomfort to those who are comfortable. Jesus urges us to give witness in his name. How will we respond?
