**Easter Sunday of the Resurrection of the Lord March 31- April 1, 2018**

Jesus Christ has risen today! For those good stewards of their faith who die with Jesus, they rise with Christ their savior every day. They are an Easter people. Our Savior is active, alive, and transforming us and our communities of faith, even the world, at this very moment. Easter is a time of joy, a time of celebration. To have faith in the risen Lord is also to believe that we are disciples who bear witness to Christ in a broken and troubled world. To be good stewards of this faith obliges us to be living witnesses to Christ's peace at home and in public. Jesus cannot be found buried in some long-forgotten time, in some far away land. He is risen. He lives within each one of us. Alleluia!
