**Second Sunday in Ordinary Time
Weekend of January 13/14, 2018**

Christian stewardship begins with the call to discipleship and in today's Gospel we discover those first individuals who sought out Jesus and wanted to listen to him, learn from him and stay with him. Today, Christian stewards search out the hidden presence of Jesus in their own lives every day. They know Christ is the "Messiah who will one day bring about a perfect restoration to a troubled world. They further understand that they are sacraments of his hidden presence in the world. Their task is to make that reality known through their own words and actions. What is one thing we can do to be better stewards of **Christ's life in us?**
