Countries in these regions were under Communist rule for up to 70 years. During this time, bishops, priests, church leaders were arrested and martyred. Churches were confiscated and people were forced to practice their faith in secret. Fifth Sunday in Ordinary Time - February 3/4

In today's Gospel we hear of a great number of suffering people who seek the healing touch of Jesus. He could not respond to them all. But the Gospel also reveals Jesus, after praying in solitude, sensing an urgency to proclaim the Good News of his Father's redemptive love to those who suffer in the nearby villages and towns. Stewards are called to follow in Jesus' footsteps, to respond to those who suffer with compassion. How are we responding to the suffering in our world? How are we using our gifts to continue the work of Christ's redemptive healing?
