December 29/30

Feast of the Holy Family of Jesus, Mary and Joseph

The ultimate aim of Saint Paul's Letter to the Colossians is to teach the community how to deepen its relationship with Christ Jesus. His list of virtues summarizes the ideals of communal stewardship: *compassion, kindness, humility, gentleness and patience*. For Paul, practicing these virtues opens our hearts to Christ as individuals and as a worshipping community. This is how the Christian community ought to live. This is how its members should behave in their dealings with others, particularly with fellow believers. ***As we approach a New Year, how might we embrace one of these virtues more fully in order to deepen our relationship with Jesus?***
